The terms and conditions including pricing for any instrument which may be issued by the Company on the basis of the Resolution set out at the Notice will be done by the Board of Directors (hereinafter referred to as the 'Board' which term shall be deemed to include any Committee(s) constituted/to be constituted by the Board or any person authorised by the Board to exercise its powers including the powers conferred by the Resolution) in accordance with applicable laws including the Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 and other Rules, Regulations, Circulars and Guidelines issued by Securities and Exchange Board of India ("SEBI"), Ministry of Corporate Affairs, Reserve Bank of India ("RBI") or any Stock Exchanges and subject to the Memorandum of Association and the Articles of Association of the Company, and also subject to such approvals, consents, permissions and sanctions as may be required from the Government of India, SEBI, RBI, the Stock Exchanges or any other applicable regulatory or statutory authority or any other authorities (the 'Appropriate Authority') and subject to such conditions and/or modifications as may be prescribed or imposed by the Appropriate Authority while granting such approvals, consents, permissions and sanctions, which may be agreed to by the Board.

The provisions of Sections 23, 42 and 71 of the Act, read with Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 (the 'PAS Rules'), provide that a Company shall not make a private placement of its securities unless the proposed offer of securities or invitation to subscribe to the securities has been previously approved by the Members of the Company by a Special Resolution. The third proviso to Rule 14(1) of the PAS Rules provides that in case of offer or invitation for non-convertible debentures, where the proposed amount to be raised through such offer or invitation exceeds the limit as specified in Section 180(1)(c) of the Act, it shall be sufficient if the company passes a previous special resolution only once in a year for all the offers or invitations for such debentures during the year. Further, fourth proviso to Rule 14(1) of PAS Rules provides that in case of offer or invitation of any securities to qualified institutional buyers, it shall be sufficient if the company passes a previous special resolution only in a year for all the allotments to such buyers during the year.

In terms of the provisions of Rule 14(1) of the PAS rules, disclosures pertaining to NCDs are as follows:

**a) Particulars of the offer including the date of passing of the Board Resolution:**

The Board resolution passed on April 6, 2023, which *inter-alia* provides for issuance of NCDs on a private placement basis.

**b) Kinds of Securities offered and the price at which security is being offered:**

Non-Convertible Debentures at such price as may be determined by the Board from time to time.

**c) Basis of justification for the price (including premium, if any) at which the offer or invitation is being made:**

The basis for justification for issuing NCDs at a particular price would be determined by the Board from time to time.

The summary of the performance of subsidiaries, associates and joint venture companies and their contribution to the overall performance of the Company during the financial year has been provided in AOC-1 and attached to the Financial Statements of the Company.

## **6. Covid-19 Pandemic Situation – Update on Operations**

### **a) Impact of the Covid-19 pandemic on business:**

The Covid-19 pandemic subsided compared to earlier waves, thus resulting in minimal disruptions to residential business during FY 2022-23.

The underlying changes in consumer preference which the pandemic has driven – shift towards higher typologies, bigger homes with more amenities – along with general rise in home buying a 'safe haven' continued to drive high residential sales. This positive tail wind sustained even when the short-term incentives like stamp duty cuts were withdrawn and interest rates rose during the year. The digital modes of selling and conducting business established now helps operate remotely as required, for example in reaching out to NRI prospects or employees working flexibly.

Residential demand sustains at all-time high, helping the Company surpass FY 2021-22 gross sales as well FY 2022-23 gross sales targets committed.

**b) Ability to maintain operations during Covid-19:**

All locations of the Company – project construction sites, sales offices and corporate offices – were back to normal operations without disruption, as during pre-pandemic months. The NGT ban on construction during Q3 of FY 2022-23 led to a brief stoppage of work in the NCR region, but the same was forecasted and managed.

**c) Steps taken to ensure smooth functioning of operations:**

The SOPs implemented for construction and sales related activities, covering transport, social distancing, hygiene and basic do's & don'ts, continue to be in place as precautionary measure. Sanitizers, spare face masks, etc. are still provided for all personnel and visitors.

**d) Estimation of the future impact of Covid-19:**

The underlying demand drivers for home ownership and thus long-term outlook remains positive in India, across our micro-markets. Some of the steps taken to make homes and offices suitable, related to hygiene, automation, layouts etc., are already becoming permanent fixtures of planning for any new project.

With widespread vaccination now achieved and potency of the virus generally reducing, the Management cautiously believe that the pandemic's disruptions are behind us and the Company now have clear optimistic long-term outlook of the market.

## **7. Industry Outlook and Future Prospects**

### **Overview of Real Estate Sector in India:**

The Indian economy with its strong fundamentals will remain a hot spot on the global map in the 21<sup>st</sup> century, primarily driven by the attractive demographics of 1.3 billion population, both from a supply and demand perspective. Younger population (median age in 2030 of 31.4 years v/s 40 years in US and 42 years in China) acts as a great talent pool and will be the largest consumer segment. With ~10 million people migrating to cities every year, the urban population will contribute 75% to the GDP by 2030. All these factors will boost the demand for real estate in India across segments and key markets. The growing economy will drive the demand for residential, commercial and retail space.

Website: [www.tatarealty.in](http://www.tatarealty.in)

As per IBEF, contribution of real estate sector was expected to increase from current 6% to 13% of GDP by 2025 and the sector was expected to reach US\$ 1 Trillion by 2030 from US\$ 120 Billion in 2017 at an expected CAGR of 19.5% – however the economic downturn due to COVID 19 may push timelines by 1-2 years.

### **Residential real estate:**

In FY 2022-23, more than 6.5 lakh units were sold across India with a ~25% growth in absorption over the last financial year. Markets have rebounded to much higher levels than pre-COVID and stayed there, with Q3 of 2022-23 witnessing highest ever absorption in several years. More than 5 lakh units were launched in FY 2022-23, an almost ~5% growth in new launches over last year. Pricing has continued to rise due to favorable demand-supply dynamics – Q4 prices increased by >15% over the last year. Inventory overhang, ~17 months in Q4 of FY 2023, is at one of the lowest levels in several years.

The move towards higher transparency and accountability has continued, evidenced by the continued consolidation in the market towards reputed, trust-worthy developers with strong processes & fiscal positions. While higher traction is seen in high-end and premium segments, the Government's policy push to affordable housing with its efforts under Housing for All as well as infrastructure status will continue to drive traction in the affordable housing segment as well.

### **REMUNERATION POLICY FOR DIRECTORS, KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES**

[Pursuant to Section 178(3) of the Companies Act, 2013 and Regulation 19 read along with Schedule II of the SEBI Listing Regulations]

The remuneration policy of the company is designed to create a high performance culture and is in alignment to the core values of Tata Group. This Policy sets out the guiding principles for the Human Resources, Nomination and Remuneration Committee for recommending to the Board the remuneration of the directors, key managerial personnel and other employees of the Company.

The remuneration philosophy is aimed to provide market competitive remuneration to our executives and employees, in order to attract and retain the most talented and qualified individual to the company.

The remuneration policy recognises the size, scope and complexity of the company and the role, the market standing, skills and experience, Company's capacity to pay in compliance to the related regulatory compliance requirements.

This remuneration policy has been prepared pursuant to the provisions of Section 178(3) of the Companies Act, 2013 ("Act") and Regulation 19 read with Part D of Schedule II of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). In case of any inconsistency between the provisions of law and this remuneration policy, the provisions of the law shall prevail and the Company shall abide by the applicable law.

While formulating this policy, the Nomination and Remuneration Committee ("NRC") has considered the factors laid down under Section 178(4) of the Act, which are as under:

"(a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;

(b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and

(c) remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals"

**Key principles governing this remuneration policy are as follows:**

**A. Remuneration for independent directors and non-independent non-executive directors**

- (i) Independent directors ("ID") and non-independent non-executive directors ("NED") may be paid sitting fees (for attending the meetings of the Board and of committees of which they may be members) and commission within regulatory limits.
- (ii) Within the parameters prescribed by law, the payment of sitting fees and commission will be recommended by the NRC and approved by the Board.
- (iii) Overall remuneration (sitting fees and commission) should be reasonable and sufficient to attract, retain and motivate directors aligned to the requirements of the Company (taking into consideration the challenges faced by the Company and its future growth imperatives).
- (iv) Quantum of sitting fees may be subject to review on a periodic basis, as required.
- (v) The aggregate commission payable to all the NEDs and IDs will be recommended by the NRC to the Board based on Company performance, profits, return to investors, shareholder value creation and any other significant qualitative parameters as may be decided by the Board.
- (vi) The NRC will recommend to the Board the quantum of commission for each director based upon the outcome of the evaluation process which is driven by various factors including attendance and time spent in the Board and committee meetings, individual contributions at the meetings and contributions made by directors other than in meetings.
- (vii) In addition to the sitting fees and commission, the Company may pay to any director such fair and reasonable expenditure, as may have been incurred by the director while performing his/her role as a director of the Company. This could include reasonable expenditure incurred by the director for attending Board / Board committee meetings, general meetings, court convened meetings, meetings with shareholders / creditors / management, site visits, induction and training (organized by the Company for directors) and in obtaining professional advice from independent advisors in the furtherance of his/her duties as a director.

**B. Remuneration payable to Director for services rendered in other capacity**

The remuneration payable to the Directors shall be inclusive of any remuneration payable for services rendered by such director in any other capacity, unless:

- (i) The services rendered are of a professional nature; and
- (ii) The NRC is of the opinion that the director possesses requisite qualification for the practice of the profession.

**C. Remuneration for Managing Director ("MD"), Executive Directors ("ED") and Key Management Personnel ("KMP")**

In accordance with the policy, the Managing Director, Executive Director, KMPs, Senior Management and employees are paid fixed salary which includes basic salary, allowances, perquisites and other benefits. Remuneration also covers contribution towards social security benefits / retirement benefits in accordance with statutory provisions as applicable.

In addition to above, they may also earn annual incentive remuneration / performance-linked incentive / annual performance linked bonus subject to achievement of certain defined qualitative and quantitative performance criteria and such other parameters as may be considered appropriate from time to time by the NRC and the Board. The performance linked incentive is driven by the outcome of the performance appraisal process and the performance of the Company.

Remuneration of MD/ED is as per the contract approved by the shareholders. In case of any change, the same would require the approval of the shareholders.

The NRC may recommend and provide MD/EDs such remuneration by way of commission, calculated with reference to the net profits of the Company in a particular financial year, as may be determined by the Board, subject to the overall ceilings stipulated in Section 197 of the Act. The specific amount payable to the MD/EDs would be based on performance as evaluated by the Board or the NRC and approved by the Board.

**D. Remuneration for other employees**

The policy relating to employees would be as per the remuneration policy of the company as approved by the Managing Director in consultation with the Head of HR within the overall framework of above remuneration philosophy and guidelines.

*Exclusion*

*Excludes employees covered by any long term settlements or specific term contracts. The remuneration for these employees would be driven by the respective long term settlements or contracts.*

**CERTIFICATE ON CORPORATE GOVERNANCE**

To,

**The Members of**

**Tata Housing Development Company Limited,**

E Block, Voltas Premises, T. B. Kadam Marg,

Chinchpokli Mumbai – 400033.

We have examined the compliance of conditions of Corporate Governance by Tata Housing Development Company Limited ('the Company') for the year ended March 31, 2023, as per the relevant provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the SEBI Listing Regulations, 2015") as referred to in Regulation 15(1A) of the SEBI Listing Regulations, 2015 for the period from April 1, 2022 to March 31, 2023.

Further, the provisions relating to Regulations 15 - 27 of SEBI Listing Regulations, 2015 (as amended) became applicable to the High Value Debt Company with effect from September 7, 2021 on a 'comply or explain' basis until March 31, 2023 and on a mandatory basis thereafter. However, SEBI in its board meeting held on March 29, 2023 decided to extend the 'comply or explain' for the High Value Debt Companies in respect of Corporate Governance norms till March 31, 2024. The Company is in the process of taking further steps to comply with the Corporate Governance norms as applicable until March 31, 2024.

The compliance of conditions of Corporate Governance is the responsibility of the Company's management and our examination was limited to procedures and implementations thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

## Independent Auditor's Report

To the Members of Tata Housing Development Company Limited

Report on the Audit of the Standalone Financial Statements

### Opinion

We have audited the standalone financial statements of Tata Housing Development Company Limited (the "Company") which comprise the standalone balance sheet as at 31 March 2023, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and its loss and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Going Concern assessment

**Independent Auditor's Report (Continued)****Tata Housing Development Company Limited**

<p>As indicated in the abovementioned note the Company's debts repayable in the year ending 31 March 2023 and interest thereon aggregate Rs.1,704.13 crores. The Company has projected cash outflows from operations in the aforesaid period.</p> <p>The Company's ability to continue as a going concern is dependent upon its ability to negotiate/ renegotiate its financing arrangements with existing/prospective lenders.</p> <p>In view of the significance of the matter we have identified the assessment of the going concern assumption as a key audit matter.</p>	<p>In assessing the going concern assumption used in preparing the financial statements, our procedures included the following:</p> <ul style="list-style-type: none"> <li>• Evaluated the Company's assessment of the cash flow requirements of the Company based on budgets and forecasts of future cash flows which were provided to us.</li> <li>• Compared the cash flow forecast prepared in the prior year including the underlying data and assumptions used therein with the actual amounts in the current year.</li> <li>• Read the credit ratings of the Company's Instruments and ascertained the maximum borrowing amount available to the Company based on the said ratings.</li> <li>• Examined the past history of the Company in refinancing its borrowings and term sheets from prospective lenders to ascertain the availability of financing to the Company.</li> <li>• Assessing the adequacy of disclosures in the financial statements relating to uncertainties and mitigation thereof.</li> </ul>

**Revenue Recognition**

See Note 16 to standalone financial statements

The key audit matter	How the matter was addressed in our audit
<p>Revenues from sale of residential units represents the largest portion of the total revenues of the Company.</p> <p>In accordance with Ind AS 115 Revenue from Contracts with Customers, the analysis of whether these contracts comprise of one or more performance obligations, and whether the performance obligations are satisfied over time or at a point in time, are areas requiring critical judgement by the Company. Revenue is recognised upon transfer of control of residential and commercial units to customers for an amount that reflects the consideration which the Company expects to receive in exchange for those units and the customer has the significant risks and rewards of ownership of the asset.</p>	<p>Our audit procedures on Revenue recognition included the following :-</p> <ul style="list-style-type: none"> <li>• Evaluate the Company's revenue recognition accounting policies, their application to the customer contracts vis a vis the requirements of the applicable accounting standards;</li> <li>• Identification and evaluation of the design and implementation of key controls over existence and recording of revenue recognised for the projects along with the testing of operating effectiveness thereof;</li> <li>• Evaluating the criteria applied by the Company for determining the point in time at which revenue is recognised;</li> <li>• Conducting site visits during the year for selected projects to understand the scope, nature and</li> </ul>

**Tata Housing Development Company Limited**

<p>Revenue is measured at the fair value of the consideration received/ accrued. Revenue is adjusted for estimated cost pending to be incurred by the Company for the completion of the project.</p> <p>The risk for revenue being overstated represents a key audit matter due to the financial significance and geographical spread of the Company's projects across different regions in India.</p> <p>Considering the significance of revenue to the financial statements the same has been considered as a key audit matter,</p>	<p>progress of the projects.</p> <ul style="list-style-type: none"> <li>adequacy of the disclosures in the standalone financial statements in respect of the judgments taken in recognising revenue for residential and commercial property units in accordance with Ind AS 115.</li> </ul>

#### NRV of Inventories

See Note 7 to standalone financial statements

The key audit matter	How the matter was addressed in our audit
<p>The Company's inventory comprise of ongoing and completed real estate projects, inventory of the projects which have not yet commenced. As at 31 March 2023, the carrying values of inventories amounts to Rs. 2,161.04 crore.</p> <p>Inventory may be held for long periods of time before sale making it vulnerable to reduction in net realisable value (NRV). This could result in an overstatement of the value of inventory when the carrying value is higher than the NRV.</p> <p><b>Assessing NRV</b></p> <p>NRV is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale and estimated costs of completion (in case of construction work in-progress). The inventory of finished goods and construction work-in-progress is not written down below cost when completed flats/ under-construction flats/ properties are expected to be sold at or above cost.</p> <p>For NRV assessment, the estimated selling price is determined for a phase, sometimes</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> <li>Evaluate the Company's accounting policies for inventory vis a vis the requirements of the applicable accounting standards;</li> <li>We evaluated the design and implementation of controls over determination of NRV of inventories including the process, methodology and key assumptions on selling price, estimated cost to complete the project and tested the operating effectiveness thereof;</li> <li>Evaluate the Company's judgement with regards to application of write-down of inventory units by auditing the key estimates, data inputs and assumptions adopted in the valuations.</li> <li>Comparing the estimated construction costs to complete each project with the Company's updated budgets.</li> <li>We have tested the NRV of the inventories to its carrying value in books on sample basis.</li> </ul>

<p>comprising multiple units. The assessment and application of write-down of inventory to NRV are subject to significant judgement by the Company.</p> <p>As such inappropriate assumptions in these judgements can impact the assessment of the carrying value of inventories.</p> <p>Considering significance of the amount of carrying value of inventories in the financial statements and the involvement of significant estimation and judgement in such assessment of NRV, the same has been considered as key audit matter.</p>	
<b>Investment in Subsidiaries and loans to group companies</b>	
See Note 4a, 4b and 8(e) to standalone financial statements	
The key audit matter	How the matter was addressed in our audit
<p>The Company has significant investments in and loan to its subsidiaries and joint ventures. As at 31 March 2023, the carrying values of Company's investment in its subsidiaries and joint ventures and loans amounts to Rs. 990.37 crores and Rs. 1,465.02 crores respectively.</p> <p><b>Recoverability of Investments in subsidiaries and joint ventures</b></p> <p>The Company's investments in subsidiaries and joint ventures are carried at cost less any diminution in value. The investments are assessed for impairment at each reporting date. The impairment assessment involves the use of estimates and judgements. The identification of impairment event and the determination of an impairment charge also require the application of significant judgement by the Company. The judgement, in particular, is with respect to the timing, quantity and estimation of projected cash flows of the real estate projects in these underlying entities.</p> <p>In view of the significance of these investments and above, we consider valuation/ impairment</p>	<p>Our procedures in assessing the management's judgement for the impairment assessment included, inter alia, the following:</p> <ul style="list-style-type: none"> <li>• We assessed the Company's valuation methodology applied in determining the impairment if any of the investments and loans;</li> <li>• Evaluate the design and implementation and tested the operating effectiveness of controls over the Company's process of assessment of impairment and approval of forecasts.</li> <li>• We obtained and read the valuations used by the management (including by external valuer where available) for determining the fair value ('recoverable amount') of its investments and loans;</li> <li>• We tested the fair value of the investment and loans given as mentioned in the valuation report to the carrying value in books;</li> <li>• Made inquiries with management to understand key drivers of the cash flow forecasts, discount rates etc;</li> <li>• Involved our valuation specialist to evaluate the</li> </ul>

<p>of investments in subsidiaries and joint ventures to be a key audit matter.</p> <p><b>Recoverability of loans to subsidiaries and joint ventures</b></p> <p>Due to the nature of the business in the real estate industry, the Company is exposed to heightened risk in respect of the recoverability of the loans granted to the aforementioned parties. In addition to nature of business, there is also significant judgment involved as to the recoverability of the working capital. This depends on property developments projects being completed over the time period specified in agreements.</p> <p>We have identified measurement of loans to subsidiaries and joint ventures as key audit matter because recoverability assessment involves Company's significant judgement and estimate.</p>	<p>assumptions used by the management specialists. We read the disclosures made in the financial statements regarding such investments;</p> <ul style="list-style-type: none"> <li>• Testing the assumptions and understanding the forecasted cash flows of subsidiaries and joint ventures based on our knowledge of the Company and the markets in which they operate;</li> <li>• Assessing the comparability of the forecasts with historical information;</li> <li>• Assessing the net worth of subsidiaries and joint ventures on the basis of latest available financial statements;</li> <li>• Assessing the controls for grant of new loans/financial instruments and sighting the Board approvals obtained. We have tested Company's assessment of the recoverability of the loans/financial instruments, which includes cash flow projections over the duration of the loans. These projections are based on underlying property development appraisals;</li> <li>• Analysing the possible indications of impairment and understanding Company's assessment of those indications;</li> <li>• Tracing loans advanced / repaid during the year to bank statement;</li> <li>• Obtaining independent confirmations to assess completeness and existence of loans and advances given to subsidiaries and joint ventures as on 31 March 2023;</li> <li>• We read the disclosures made in the financial statements regarding such investments and loans given.</li> </ul>

**Other Information**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's directors' report, but does not include the financial statements and auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Independent Auditor's Report (Continued)**  
**Tata Housing Development Company Limited**

**Management's and Board of Directors' Responsibilities for the Standalone Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

**Independent Auditor's Report (Continued)**  
**Tata Housing Development Company Limited**

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

**Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of Tata Housing Development Company Limited for the year ended 31 March 2023**

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company, except for the following which are not held in the name of the Company:

Description of property	Gross carrying value (Rs. in crores)	Held in the name of	Whether promoter, director or their relative or employee	Period held- indicate range, where appropriate	Reason for not being held in the name of the Company. Also indicate if in dispute
Office Space at Eruchshaw Building Mumbai	2.27	DR. (Miss) Avimay Sohrab Hakim	No	28years	The Company is in the process of registering the title deeds in the Company's name. There are no disputes.

- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.

**Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of Tata Housing Development Company Limited for the year ended 31 March 2023 (Continued)**

- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (a) The inventory, except construction work in progress has been physically verified by the management during the year. The requirement of paragraph 3(ii)(a) of the Order are not applicable to construction work in progress. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.
- (iii) According to the information and explanation given to us and the basis of our examination of the records of the Company, the Company has made investments in companies and limited liability partnership and has not made any investments in firms or any other parties. The Company has granted loans and provided guarantees to companies during the year, in respect of which the requisite information is as below. The Company has not provided security and advances in the nature of loans to companies during the year. Further, the Company has not provided any guarantee or security, granted any loans or advances in the nature of loans, secured or unsecured, to firms, limited liability partnership or any other parties during the year.
- (a) Based on the audit procedures carried on by us and as per the information and explanations given to us the Company has provided loans and stood guarantee to any other entity as below:

the terms and conditions for the grant of loans during the year are, prima facie, not prejudicial to the interest of the Company.

- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of loans given, in our opinion the schedule for repayment of principal and payment of interest have not been stipulated and accordingly we are unable to comment on whether the repayments or receipts are regular. Further, the Company has not given any advance in the nature of loan to any party during the year.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in case of loans given, the schedule for repayment of principal and payment of interest have not been stipulated and accordingly we are unable to comment on the amount overdue for more than ninety days.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in case of loans given, the schedule for repayment of principal and payment of interest have not been stipulated and accordingly we are unable to comment whether the loan or advance in the nature of loan granted falling due during the year has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same parties.
- (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment except for the following loans or advances in the nature of loans to its Promoters and related parties as defined in Clause (76) of Section 2 of the Companies Act, 2013 ("the Act"):

(Rs. in crores)

- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 of the Act in respect of loans covered by the said

**Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of Tata Housing Development Company Limited for the year ended 31 March 2023 (Continued)**

section. According to the information and explanation given to us, the provisions of section 186 of the Act in respect of the loan given, guarantee given or securities provided are not applicable to the Company, since it is covered as a Company engaged in business of providing infrastructural facilities. According to the information and explanation given to us, the Company has complied with the provision of Section 186 of the Act in respect of the investment made during the year.

(v) In our opinion and according to the information and explanations given to us, as at 31 March 2023 the Company has advances aggregating to Rs. 0.10 crores. Management has represented that these are from customers against purchase of residential units but are not adjusted against the respective customer and the reconciliation of the same and necessary adjusting entries to be recorded in the books of account is in process. Except, for these amounts on which we are unable to comment pending the completion of the aforesaid reconciliation, the Company has complied with the provisions of Sections 73 to 76 or other relevant provisions of the Companies Act, 2013 and the rules framed thereunder where applicable and the directives issued by the Reserve Bank of India as applicable, with regard to deposits or amounts which are deemed to be deposits. As informed to us, there have been no proceedings before the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal in this matter and no order has been passed by any of the aforesaid authorities in this regard.

(vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act in respect of its construction industry and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of the records with a view to determine whether these are accurate or complete.

**Annexure B to the Independent Auditor's Report on the standalone financial statements of Tata Housing Development Company Limited for the year ended 31 March 2023**

**Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act**

**(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

**Opinion**

We have audited the internal financial controls with reference to financial statements of Tata Housing Development Company Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

**Management's and Board of Directors' Responsibilities for Internal Financial Controls**

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

**Annexure B to the Independent Auditor's Report on the standalone financial statements of Tata Housing Development Company Limited for the year ended 31 March 2023 (Continued)**

**Meaning of Internal Financial Controls with Reference to Financial Statements**

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

**Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Derecognition**

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when:

- a. the rights to receive cash flows from the asset have expired, or
- b. the Company has transferred substantially all the risks and rewards of the asset, or
- c. the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

### **Impairment of financial assets**

The Company applies 'simplified approach' measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b. Trade receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit loss at each reporting date, right from its initial recognition.

### Financial liabilities and equity instruments

#### **Classification**

The Company classifies all financial liabilities as subsequently measured at amortised cost.

#### **Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

#### **Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Standalone statement of profit and loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the Standalone statement of profit and loss.

#### **Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Standalone statement of profit and loss.

#### **Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

#### **Equity Instruments**

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

i. Property, plant and equipment**Recognition & Measurement**

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and impairment losses, if any. The cost of an item of property, plant and equipment comprises:

- its purchase price, includes non-refundable purchase taxes, after deducting trade discounts and rebates.
- any costs directly attributable to bringing the asset to its working condition for its intended use.
- the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment. Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Capital work-in-progress in respect of assets which are not ready for their intended use are carried at costs, comprising of direct costs, related incidental expenses and attributable interest.

**Subsequent Expenditure**

Subsequent expenditure is capitalised only if it is probable that the future economic benefit associated with the expenditure will flow to the Company.

**Disposals or retirement**

Any gains or losses arising on the disposals or retirement of an item of property, plant and equipment is determined as difference between the sales proceeds and the carrying amount of the asset and is recognised in standalone Statement of Profit and Loss.

j. Depreciation methods, estimated useful lives and residual value

Depreciation is provided using the written down value method using the useful life as follows:

Assets	Useful life
Buildings	60 years
Office Equipment	5 years
Computers	3 years
Furniture and Fixtures	10 years
Electrical Fittings	10 years
Motor Vehicles	8 years
Cellular Phones	2.5 years

Leasehold improvements are amortised over lease of the estimated useful life of the asset or the lease period. The Lease period where the Company is lessee includes the periods where the Company has the unilateral right to renew the lease and intends to do.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

**Capital Work-in Progress**

Capital expenditure on assets not owned by the Company is reflected as a distinct item in Capital Work-in Progress till the period of completion and thereafter in the Property, plant and equipment.

**l. Intangible assets**

Intangible assets purchased is stated at historical cost less accumulated amortisation and accumulated impairment losses.

*Amortisation methods and periods*

The Company amortises cost of software over a period of 3 years on a straight-line basis.

**m. Impairment of property, plant & equipment and intangible assets**

The carrying amounts of property, plant & equipment and intangible assets are reviewed at each balance sheet date to determine whether there is any indication that those assets have suffered an impairment loss. If any such indications exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any.

An impairment loss is recognised in the standalone Statement of Profit and Loss wherever the carrying amount of the asset exceeds its recoverable amount. The recoverable amount is higher of the asset's fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using appropriate discount factor. When there is an indication that an impairment loss recognised for the asset in earlier accounting periods no longer exists or may have decreased such reversal of impairment loss is recognised in the standalone Statement of Profit and Loss.

**n. Borrowing costs**

Borrowing costs include interest, other costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs, allocated to and utilised for qualifying construction project / assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying construction project / assets up to the date of substantial completion of project / capitalisation of such asset are added to the cost of construction project / assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying construction project / assets is interrupted. A qualifying construction project / asset is an asset that necessarily takes substantial time or more to get ready for its intended use or sale and includes the real estate properties developed by the Company.

Interest income earned on the temporary investment of specific borrowing pending their expenditure on qualifying construction project / assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

**o. Provisions and Contingencies**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

p. Employee benefits

i. *Post-employment obligations*

The Company operates the following post-employment schemes:

(a) **Defined benefit plan**

The Company's obligation towards gratuity to employees, post-retirement medical benefits and ex-directors pension obligations is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan asset, is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in the retained earnings and not reclassified to profit or loss. Past service cost is recognised in the standalone Statement of Profit or Loss in the period of a plan amendment. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is recognised as employee benefit expense in the standalone statement of profit and loss.

(b) **Defined contribution plan**

The Company's contributions to Provident fund, Superannuation Fund and employee's state insurance scheme are considered as defined contribution plans. The Company is liable for contributions and any deficiency compared to interest computed based on the rate of interest declared by the Central Government under the Employees' Provident Fund Scheme, 1952 and recognises, if any, as an expense in the year it is determined. The contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

ii. *Other Long-term employee benefit obligations*

The Company's obligation towards other long term employee benefits in the form of compensated absences and long service awards are based on actuary valuation. The valuation is carried out using the Project Unit Credit Method as per Ind AS 19 to determine the Present Value of Benefit Obligations and the related Current Service Cost and, where applicable, Past Service Cost.

*iii. Short-term obligations*

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

*q. Dividends to equity shareholders*

Dividend to equity shareholders is recognised as a liability and deducted from shareholders' equity, in the period in which the shareholders have the right to receive the dividend which in the case of interim dividends are when these are declared by the Board of Directors of the Company and when these are approved in the Annual General Meeting of the Company in any other case.

*r. Segment Reporting*

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Company. The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director & CEO of the Company.

*s. Foreign Currency Transactions*

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in standalone Statement of Profit and Loss.

*t. Operating cycle*

All assets and liabilities have been classified as current or non-current based on operating cycle determined in accordance with the guidance as set out in the Schedule III of the Companies Act, 2013. The operating cycle of the Company is determined to be 12 months.

*u. Critical estimates and judgements*

The preparation of the standalone financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

**a) Critical Judgements**

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

- i. Discount rate used to determine the carrying amount of the Company's defined benefit obligation:

In determining the appropriate discount rate for plans operated in India, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

ii. Contingences and commitments:

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Company. Where the potential liabilities have a low probability of crystallising or are very difficult to quantify reliably, the Company treats them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the Company does not expect them to have a materially adverse impact on financial position or profitability.

iii. Classification of entities as subsidiaries and joint ventures:

A. Entities as subsidiaries with 50% voting rights

The management has concluded that the Company controls Technopolis Knowledge Park Limited (TKPL), even though it holds only 50% of the voting rights of this subsidiary.

This is because the Company has control of composition of the Board of Directors of TKPL. The Shareholder's agreement grants the right of casting vote to the chairman of Board, appointed by the Company. This gives the Company the ability to direct relevant activities of TKPL proving that the Company has control over TKPL.

B. Classification of joint ventures

The below entities are limited liability entities whose legal form confers separation between the parties to the joint arrangement and the Company itself. Furthermore, there is no contractual arrangement or any other facts and circumstances that indicate that the parties to the joint arrangement have rights to the assets and obligations for the liabilities of the joint arrangement. Accordingly, these entities are classified as joint ventures of the Company.

1. Sector 113 Gatevida Developers Private Limited (formerly known as Lemon Tree Land & Developers Private Limited)
2. Kolkata-one Excelton Private Limited
3. Smart Value Homes (New Project) LLP
4. One Bangalore Luxury Projects LLP

The assessment of control is made since the remaining share in the respective entities is held by one unrelated partner. Also, that in case of these entities, neither of the parties have the practical ability to direct the relevant activities unilaterally as relevant activities require consent of both parties. Hence the management has concluded that the Company does not have unilateral control over these entities.

**b) Key sources of estimation uncertainty**

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

- 
- i. Impairment for doubtful recoverable, advances and financial assets (Refer note 4(a),4(b), 5, 8(b), 8(e), 8(f) & 9):  
The Company makes impairment for doubtful recoverable, advances and financial assets based on an assessment of the recoverability. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the other receivables and advances and impairment expenses in the period in which such estimate has been changed.
- ii. Valuation of deferred tax assets (refer note 6)  
The Company review the carrying amount of deferred tax assets at the end of each reporting period.
- iii. Provision for customer compensation (refer not 32)  
Provision is made for estimated compensation claims to be paid to customers in respect of delay in handing over possession of flats. These claims are expected to be settled in the next financial year. Management makes an estimate of the provision based on expected time of delivery and taking into consideration past experiences.
- iv. Net realisable value of inventory (refer note 7)  
Management makes an estimate of the net realisable value of inventory based on expected realisation from inventory taking into consideration past experiences/valuation reports.

## Impairment testing:

Each investment held at cost is recognised as a separate CGU.

The recoverable amount of the CGUs was based on its value in use, determined by discounting the future cash flows to be generated from the continuing use of the CGU.

The cash flow projections included specific estimates for the life of the project ranging from three to five years.

## Tata Value Homes Limited

The carrying amount of the CGU was determined to be higher than its recoverable amount of INR 467 crores and an impairment loss of INR 213 crores during 31 March 2023 (31 March 2022: INR Nil crores) was recognised.

The key assumptions used in the estimation of the recoverable amount are set out as below. The values assigned to the key assumptions represent management's assessment of sales collection and inflow from exit projects, relevant expenditure, estimated tax liability and interest cost.

(In percent)	As at 31 March 2023	As at 31 March 2022
Discount rate	18.10	17.50
Terminal value growth rate	2.00	2.00

The discount rate was a post-tax measure estimated based on the cost of equity and after considering business risk premium.

Following the impairment loss recognised in the CGU, the recoverable amount was equal to the carrying amount. Therefore, any adverse movement in a key assumption would lead to further impairment.

## Promont Hilltop Private Limited

The carrying amount of the CGU was determined to be lower than its recoverable amount of INR 154 crores and accordingly, no impairment loss was recognised. (31 March 2022: INR Nil crores)

The key assumptions used in the estimation of the recoverable amount are set out as below. The values assigned to the key assumptions represent management's assessment of sales collection and inflow from exit projects, relevant expenditure, estimated tax liability and interest cost.

(In percent)	As at 31 March 2023	As at 31 March 2022
Discount rate	13.00	13.00

The discount rate was a post-tax measure estimated based on the cost of equity and after considering business risk premium.

The following table shows the amount by which the assumptions would need to change for the estimated recoverable amount to be equal to the carrying amount.

(In percent)	As at 31 March 2023	As at 31 March 2022

<b>Sohna City LLP</b>		
The recoverable amount of this CGU was based on the market value of land. The value of the land has been assessed based on comparison with similar properties that have actually been sold in an arm-length transaction or are offered for sale in the subject micro-market. Approval costs and constructions costs were added to the land comparable value. The carrying amount of the CGU was determined to be lower than its recoverable amount of INR 151 crores and accordingly, impairment loss earlier recognised to the tune of INR 41.67 crores was reversed (31 March 2022: INR Nil crores).

### Nature and purpose of reserves

#### i Securities premium account

Securities premium account represents the premium on issue of shares. The account is utilised in accordance with the provisions of the Companies Act, 2013.

#### ii General reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purpose. As the general reserve is created by transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit and loss.

#### iii Retained earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, debenture redemption reserve, dividends or other distributions paid to shareholders.

### Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

### Assets and liabilities which are measured at amortised cost:

The fair value of financial instruments as referred to in note above have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active market for identical assets or liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The categories used are as follows :

**Level 1 :** Level 1 hierarchy includes financial instruments measured using quoted prices.

**Level 2:** The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. Considering that all significant inputs required to fair value such instruments are observable, these are included in level 2.

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The carrying amounts of trade receivables, inter corporate deposits, current investments, contractually reimbursable expenses, cash and cash equivalents and other bank balances, current trade payables and current borrowings are considered to be the same as their fair values, due to their short-term nature.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

### Valuation techniques and significant unobservable inputs

The following table shows the valuation techniques used in measuring Level 2 and Level 3 fair values for financial instruments measured at fair value in the statement of financial position as well as the significant unobservable inputs used.

### Financial instruments measured at fair value

Type	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Investments in unlisted corporate debt instruments:			
Compulsorily Convertible Debentures of Ardent Properties Private Limited	Discounted cash flow Method : For the purpose of value of the equity holders of the Company based on free cash flows available from operations undertaken by the Company, Discounted Cash Flow (DCF) Method has been adopted. Free cash flows to equity in the explicit forecast period and those in perpetuity are discounted by Cost of Equity ("Key"). Ke is the appropriate rate of discount to calculate present value of future cash flows for valuing the equity shares of the Company as it considers risk and expected return to the equity stockholders. #### 28 Financial risk management

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for the establishment and oversight of the Company's risk management framework. The Company has constituted a Risk Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities.

The Risk Management Committee of the Company is supported by the Finance department that provides assurance that the Company's financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives. The Finance department activities are designed to:

- protect the Company's financial results and position from financial risks
- maintain market risks within acceptable parameters, while optimising returns; and
- protect the Company's financial investments, while maximising returns.

##### A) Management of liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach to managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

Maturities of financial liabilities (current and non current)

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows as at the Balance sheet date:

POTENTIAL IMPACT OF RISK	MANAGEMENT POLICY	SENSITIVITY TO RISK	
(i) Interest rate risk			
Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates.	The Company's strategy is to mitigate interest rate risk by ensuring a proper mix of borrowings at	As an estimation of the approximate impact of the interest rate risk with respect to financial instruments, the Company has calculated the impact of a 0.25% change in interest rates. 0.25% p.a. decrease in interest on aforesaid loans will reduce interest expense by ₹ 0.00 crores for the year ended 31 March 2023.	
The Company is mainly exposed to interest rate risk due to its variable interest rate borrowings. The interest rate risk arises due to uncertainties about the future market interest rate of these investments.	fixed and variable interest rates. The Company's interest rate risk is monitored by the management and treasury team on a monthly basis. Management analyses the interest expense by ₹ 0.00 crores for financial year ended 31 March 2023		
The Company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.	Company's interest rate exposure on a dynamic basis. Various scenarios are simulated, taking into consideration refinancing, renewal of existing positions and alternative financing sources. Based on these scenarios, the Company calculates the impact on profit and loss of a defined interest rate shift. The scenarios are run only for liabilities that represent the major interest-bearing positions. The simulation is done on a monthly basis to verify that the maximum potential loss is within the limits set by management.	A 0.25% increase in interest rates would have led to an equal but opposite effect.	
As at 31 March 2023, borrowings amounted to ₹ Nil crores (as at 31 March 2022: ₹ 4.59 crores) is exposed to interest rate risk.			
(ii) Currency risk			
The Company undertakes transactions denominated in foreign currencies which is mainly receivables from its subsidiaries based in Maldives and Singapore; consequently, exposures to exchange rate fluctuations arise.	The Company has not hedged any of its assets or liabilities repayable in a foreign currency, being receivables from its subsidiaries.	As an estimation of the approximate impact of the currency risk with respect to financial instruments, the Company has calculated the impact of a 5% change in currencies. Following table details the Company's sensitivity to a 5% increase and decrease in ₹ against the relevant foreign currencies.

#### Cash and Bank balances

Credit risk from cash and bank balances is managed by the Company's treasury department in accordance with the Company's policy.

The Company's maximum exposure to credit risk as at 31 March 2023 and 31 March 2022 are the carrying value of each class of financial assets as disclosed in notes 4(a), 4(b) and 8(a) to 8(f).

### 29 Capital Management

The Company manages its capital to ensure that the Company will be able to continue as going concern while maximising the return to stakeholders through optimisation of debt and equity balance.

The Company's risk management committee reviews the capital structure of the Company on a semi-annual basis. As part of this review, the committee considers the cost of capital and the risks associated with each class of capital.

The Company monitors capital using Debt-Equity ratio, which is total debt divided by total equity. For the purposes of the Company's capital management, the Company considers the following components of its Balance Sheet to be managed capital:

Total equity as shown in the Balance Sheet includes General reserve, Retained earnings, Share capital, Securities premium. Net debt includes current debt plus non-current debt less cash and bank balances.

Bonds/ debentures	28.74%	
	100.00%	77.25%

#### Risk exposure

Through its defined benefit plans, the Company is exposed to a number of risks, the most significant of which are detailed below:

##### Asset volatility

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk with derivatives to minimise risk to an acceptable level.

##### Changes in bond yields

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plans' bond holdings.

##### Life expectancy

The pension and medical plan obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plans' liabilities. This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

##### Salary Risk

The present value of the defined benefit liability is calculated by reference to the future salaries of plan participants. As such, an increase in salary of the plan participants will increase the plan's liability.

The Company ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the employee benefit plans. Within this framework, the Company's ALM objective is to match assets to the benefit obligations by investing in long-term fixed interest securities with maturities that match the benefit payments as they fall due and in the appropriate currency.

#### Defined benefit Liability and employer contribution

Expected contribution to post employment benefit plans for the year ending 31 March 2024 are ₹ 4.67 crs.

The weighted average duration of the defined benefit obligation is 3 years (2022 – 7 years)

#### (i) Superannuation fund

The Company has superannuation scheme administrated by LIC, in which the Company contributes 15% on basic salary. The payments to defined contribution retirement benefit scheme for eligible employees in the form of superannuation fund are charged as an expense as they fall due. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made.

#### (ii) Provident fund

The Company also has certain defined benefit plans. Contributions are made to Tata Housing provident fund trust for employees at the rate of 12% of basic salary as per regulations. The Company is liable for contributions and any deficiency compared to interest computed based on the rate of interest declared by the Central Government under the Employees' Provident Fund Scheme, 1952 and recognises, if any, as an expense in the year it is determined.

The Trustees of the Fund are required by law and by its trust deed to act in the interest of the Fund and of all relevant stakeholders in the scheme. The Trustees of the Fund are responsible for the investment policy with regard to the assets of the Fund.

The Company's contributions paid / payable during the year towards Provident Fund and Superannuation Fund are charged to the Statement of Profit and Loss or debited to the project costs every year. These funds and the schemes thereunder are recognised by the Income-tax authorities and administered by trusts.

#### C Compensated absences

##### D Significant estimates: Actuarial assumptions and sensitivity (Continued)

Significant actuarial assumption for the determination of defined obligation are rate of discounting, rate of salary increase and rate of employee turnover. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

Particulars	Gratuity	
	31 March 2023	31 March 2022
Projected benefit obligation on current assumptions	6.32	8.44
Delta effect of +1% change in rate of discounting	0.22	(0.35)
Delta effect of -1% change in rate of discounting	(0.20)	0.38
Delta effect of +1% change in rate of salary increase	(0.19)	0.37
Delta effect of -1% change in rate of salary increase	0.22	(0.34)
Delta effect of +1% change in rate of employee turnover	0.03	(0.05)
Delta effect of -1% change in rate of employee turnover	0.01	0.05

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the Balance Sheet.

## Independent Auditor's Report

To the Members of Tata Housing Development Company Limited

Report on the Audit of the Consolidated Financial Statements

### Opinion

We have audited the consolidated financial statements of Tata Housing Development Company Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), its joint ventures, which comprise the consolidated balance sheet as at 31 March 2023, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate audited consolidated financial statements of such subsidiaries and joint ventures as were audited by the other auditors the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its joint ventures as at 31 March 2023, of its consolidated loss and other comprehensive loss, consolidated changes in equity and consolidated cash flows for the year then ended.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group and its joint ventures in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us along with the consideration of reports of the other auditor(s) referred to in paragraph (a) and (b) of the "Other Matters" section below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment and based on the consideration of reports of other auditors on separate financial statements of components audited by them, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matter:

<p>As indicated in the abovementioned note the Holding Company's debts repayable in the year ended 31 March 2023 and interest thereon aggregate Rs.1,704.13 crores. The Holding Company has projected cash outflows from operations in the aforesaid period.</p> <p>The Holding Company's ability to continue as a going concern is dependent upon its ability to negotiate/ renegotiate its financing arrangements with existing/prospective lenders.</p> <p>In view of the significance of the matter, we have identified the assessment of the going concern assumption as a key audit matter.</p>	<p>In assessing the going concern assumption used in preparing the financial statements, our procedures included the following:</p> <ul style="list-style-type: none"> <li>• Evaluated the Holding Company's assessment of the cash flow requirements of the Holding Company based on budgets and forecasts of future cash flows which were provided to us.</li> <li>• Compared the cash flow forecast prepared in the prior year including the underlying data and assumptions used therein with the actual amounts in the current year.</li> <li>• Read the credit ratings of the Holding Company's instruments and ascertained the maximum borrowing amount available to the Holding Company based on the said ratings.</li> <li>• Examined the past history of the Holding Company in refinancing its borrowings and term sheets from prospective lenders, raising funds to ascertain the availability of financing to the Holding Company.</li> <li>• Assessing the adequacy of disclosures in the financial statements relating to uncertainties and mitigation thereof.</li> </ul>

<b>Revenue Recognition - See Note 16 of Consolidated Financial Statements</b>	
<b>The key audit matter</b>	<b>How the matter was addressed in our audit</b>
<p>Revenues from sale of residential units represents the largest portion of the total revenues of the Holding Company.</p> <p>In accordance with Ind AS 115 Revenue from Contracts with Customers, the analysis of whether these contracts comprise of one or more performance obligations, and whether the performance obligations are satisfied over time or at a point in time, are areas requiring critical judgement by the Holding Company. Revenue is recognised upon transfer of control of residential and commercial units to customers for an amount that reflects the consideration which the Holding Company expects to receive</p>	<p>Our audit procedures on Revenue recognition included the following:</p> <ul style="list-style-type: none"> <li>• Evaluate the Holding Company's revenue recognition accounting policies, their application to the customer contracts vis a vis the requirements of the applicable accounting standards;</li> <li>• Identification and evaluation of the design and implementation of key controls over existence and recording of revenue recognised for the projects along with the testing of operating effectiveness thereof;</li> <li>• Evaluating the criteria applied by the Holding</li> </ul>

## Net realisable value (NRV) of Inventories - See Note 8 of Consolidated Financial Statements

The key audit matter	How the matter was addressed in our audit
<p>The Holding Company's inventory comprise of ongoing and completed real estate projects, inventory of the projects which have not yet commenced. As at 31 March 2023, the carrying values of inventories amounts to Rs. 2,161 crores.</p> <p>Inventory may be held for long periods of time before sale making it vulnerable to reduction in net realisable value (NRV). This could result in an overstatement of the value of inventory when the carrying value is higher than the NRV.</p> <p><b>Assessing NRV</b></p> <p>NRV is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale and estimated costs of completion (in case of construction work in- progress). The inventory of finished goods and construction work-in-progress is not written down below cost when completed flats/ under-construction flats/ properties are expected to be sold at or above cost.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> <li>• Evaluate the Holding Company's accounting policies for inventory vis a vis the requirements of the applicable accounting standards;</li> <li>• We evaluated the design and implementation of controls over determination of NRV of inventories including the process, methodology and key assumptions on selling price, estimated cost to complete the project and tested the operating effectiveness thereof;</li> <li>• Evaluate the Holding Company's judgement with regards to application of write-down of inventory units by auditing the key estimates, data inputs and assumptions adopted in the valuations.</li> <li>• Comparing the estimated construction costs to complete each project with the Holding Company's updated budgets.</li> <li>• We have tested the NRV of the inventories to its carrying value in books on sample basis.</li> </ul>

**Independent Auditor's Report (Continued)**  
**Tata Housing Development Company Limited**

For NRV assessment, the estimated selling price is determined for a phase, sometimes comprising multiple units. The assessment and application of write-down of inventory to NRV are subject to significant judgement by the Holding Company.

As such inappropriate assumptions in these judgements can impact the assessment of the carrying value of inventories.

Considering significance of the amount of carrying value of inventories in the financial statements and the involvement of significant estimation and judgement in such assessment of NRV, the same has been considered as key audit matter.

before sale making it vulnerable to reduction in net realisable value (NRV). This could result in an overstatement of the value of inventory when the carrying value is higher than the NRV.

**Assessing NRV**

NRV is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale and estimated costs of completion (in case of construction work in-progress). The inventory of finished goods and construction work-in-progress is not written down below cost when completed flats/ under-construction flats/ properties are expected to be sold at or above cost.

For NRV assessment, the estimated selling price is determined for a phase, sometimes comprising multiple units. The assessment and application of write-down of inventory to NRV are subject to significant judgement by the TVHL.

As such inappropriate assumptions in these judgements can impact the assessment of the carrying value of inventories.

Considering significance of the amount of carrying value of inventories in the financial statements and the involvement of significant estimation and judgement in such assessment of NRV, the same has been considered as key audit matter.

Inventories including the process, methodology and key assumptions on selling price, estimated cost to complete the project and tested the operating effectiveness thereof;

- Evaluate the TVHL's judgement with regards to application of write-down of inventory units by auditing the key estimates, data inputs and assumptions adopted in the valuations.
- Comparing the estimated construction costs to complete each project with the TVHL's updated budgets.
- We have tested the NRV of the inventories to its carrying value in books on sample basis.

**Other Information**

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, but does not include the financial statements and auditor's reports thereon. The Holding Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Holding Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary

actions, applicable under the applicable laws and regulations.

**Management's and Board of Directors'/Designated Partners' Responsibilities for the Consolidated Financial Statements**

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including joint ventures in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Management and Board of Directors of the Companies / Designated Partners of the Limited Liability Partnerships LLPs included in the Group and the respective Management and Board of Directors/Designated Partners of its joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company/LLP and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the Companies/ Designated Partners of the LLPs included in the Group and the respective Management and Board of Directors/Designated Partners of its joint ventures are responsible for assessing the ability of each company/LLP to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors/Designated Partners either intends to liquidate the Company/LLP or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies/ Designated Partners of the LLPs included in the Group and the respective Management and Board of Directors/Designated Partners, of its joint ventures are responsible for overseeing the financial reporting process of each company/LLP.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with

**Independent Auditor's Report (Continued)**  
**Tata Housing Development Company Limited**

reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements of such entities or business activities within the Group and its joint venture to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in paragraph (a) and (b) of the section titled "Other Matters" in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act**

**(Referred to in paragraph 2(A)(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

**Opinion**

In conjunction with our audit of the consolidated financial statements of Tata Housing Development Company Limited (hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2023, we have audited the internal financial controls with reference to financial statements of the Holding Company and such companies incorporated in India under the Act which are its subsidiary companies, and joint venture companies, as of that date.

In our opinion and based on the consideration of reports of the other auditors on internal financial controls with reference to financial statements of subsidiary companies, and joint venture companies, as were audited by the other auditors, the Holding Company and such companies incorporated in India which are its subsidiary companies, and joint venture companies, have, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by such companies/the Holding Company considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

**Management's and Board of Directors' Responsibilities for Internal Financial Controls**

The respective Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

**Annexure B to the Independent Auditor's Report on the consolidated financial statements of Tata Housing Development Company Limited for the year ended 31 March 2023 (Continued)**

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary companies and joint venture companies in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements.

**Meaning of Internal Financial Controls with Reference to Financial Statements**

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

**Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Other Matter**

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to 8 subsidiary companies, and 3 joint venture companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

The internal financial controls with reference to financial statements insofar as it relates to 2 subsidiary company, and 2 joint venture company, which are companies incorporated in India and included in these consolidated financial statements, have not been audited either by us or by other auditors. In our opinion and according to the information and explanations given to us by the Management, such unaudited subsidiary companies, and joint venture companies are not material to the Holding Company.

B S R & Co. LLP

**Annexure B to the Independent Auditor's Report on the consolidated financial statements of Tata Housing Development Company Limited for the year ended 31 March 2023 (Continued)**

Our opinion is not modified in respect of above matters.

## Background

Tata Housing Development Company Limited ("the Parent"), its subsidiaries (collectively called as the "Group") and joint ventures has main interest in development of real estate. The Group and its joint ventures are one of the first corporate players in India in the real estate sector. Since 1984, it has constructed various prestigious residential buildings/complexes, luxury residences, commercial complexes and integrated townships. The Group and its joint ventures develop real estate and key activities of the Group and its joint ventures include identification of land, project conceptualising and designing, development, management and marketing.

### 1. Basis of Preparation

#### a. Statement of Compliance with Ind AS

The consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The accounting policies followed in the preparation of these financials statements are the same as those of the previous year.

These financial statements were authorised for issue by the Board of Directors of the Company on 18<sup>th</sup> May 2023

#### b. Going Concern

i. As at 31 March 2023, the Holding Company's short-term borrowings comprising commercial paper and non-convertible debentures ('NCD') (including current maturities of long term borrowings) aggregate Rs 897.79 crores. In addition, the Holding Company has working capital loans of Rs 750.11 crores. The Holding Company's net current assets aggregate Rs 182.24 crores. The current assets of the Holding Company aggregate to Rs 2,547.76 crores and include inventories of Rs 2,161.04 crores which due to their nature may be realizable in periods beyond 1 year. Management has forecasted the future cash flows on the basis of significant assumptions as per the available information. These forecasted future cash flows indicate that the cash flows from its operations may not be adequate for meeting its funding requirements including repayment of borrowings due in the next one year from the date of approval of the financial results. Thus, the Holding Company's ability to meet its obligations depends on generation of adequate funds from operations, continued and additional funding from the lenders/ markets including the possibility of refinancing of borrowing facilities. The Management is confident, based on discussions with prospective lenders, past history of the ability to refinance borrowings and strong credit rating enjoyed by Holding Company's existing facilities, that its plans for generation of funds (including borrowings) are feasible and will be adequate for the Holding Company to meet its obligations as and when they fall due. Accordingly, the audited financial results of the Holding Company included in this consolidated financial results are prepared on a going concern basis.

ii. As at 31 March 2023, Tata Value Homes Limited ( "TVHL"), a wholly owned subsidiary's has working capital loans of Rs 100 crores. The Company's net current liabilities aggregate Rs 514.42 crores. The current assets of the Company aggregate to Rs 285.25 crores and include inventories of Rs 193.58 crores which due to their nature may be realizable in periods beyond 1 year. . Management has forecasted the future cash flows on the basis of significant assumptions as per the available information. These forecasted future cash flows indicate that the cash flows from its operations may not be adequate for meeting its funding requirements including repayment of borrowings due in the next one year from the date of approval of the financial statements. Thus, the TVHL's ability to meet its obligations depends on generation of adequate

funds from operations, continued and additional funding from the lenders/ markets including the possibility of refinancing of borrowing facilities. The Management is confident, based on discussions with prospective lenders, past history of the ability to refinance borrowings and strong credit rating enjoyed by TVHL's existing facilities, that its plans for generation of funds (including borrowings) are feasible and will be adequate for the TVHL to meet its obligations as and when they fall due. Accordingly, the financial statements of the TVHL for the year ended 31 March 2023 have been prepared on the basis that the Company is a going concern.

c. Historical cost convention

The consolidated financial statements are prepared in accordance with the historical cost convention, except for certain items that are measured at fair values, as explained in the accounting policies.

d. Principles of consolidation and equity accounting

i. Subsidiaries

The consolidated financial statements incorporate the financial statements of the Parent and entities (including structured entities) controlled by the Parent and its subsidiaries. Control is achieved when the Parent:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Parent reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

When the Parent has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Parent considers all relevant facts and circumstances in assessing whether or not the Parent's voting rights in an investee are sufficient to give it power, including:

- the size of the Parent's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Parent, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Parent has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

Consolidation of a subsidiary begins when the Parent obtains control over the subsidiary and ceases when the Parent loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the Consolidated Statement of Profit and Loss from the date the Parent gains control until the date when the Parent ceases to control the subsidiary.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Parent and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Parent and to the non-controlling interests even if this results in the non-controlling interests having a deficit balance. The Group and its joint ventures present the non-controlling interest in the Consolidated Balance Sheet within equity, separately from the equity of the Group and its joint ventures as owners. The excess of the Group and its joint venture's share in the net worth of the subsidiary on the date of control

acquired is treated as goodwill while a deficit is considered as a capital reserve on the consolidated financial statement.

On disposal of the subsidiary, attributable amount on goodwill is included in the determination of the profit or loss and recognised in the Consolidated Statement of Profit and Loss.

Impairment loss, if any, to the extent the carrying amount exceeds the recoverable amount is charged off to the Consolidated Statement of Profit and Loss as it arises and is not reversed. For impairment testing, goodwill is allocated to Cash Generating Unit (CGU).

When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group and its joint venture's accounting policies.

All intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group and its joint ventures are eliminated in full on consolidation.

ii. Investments in joint ventures

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decision about the relevant activities require unanimous consent of the parties sharing control.

The results and assets and liabilities of joint ventures are incorporated in these consolidated financial statement using equity method of accounting. Under the equity method of accounting, the investment in a joint venture is initially recognised in the Consolidated Balance Sheet at cost and adjusted thereafter to recognise the Group and its joint venture's share of the post-acquisition profits or losses and other comprehensive income of the joint venture. Dividends received or receivable from a joint venture reduces the carrying amount of the investment. When the Group and its joint venture's share of a joint venture exceed Group and its joint venture's interest in the joint venture (which includes any long term interest that, in substance, form part of the Group and its joint venture's net investment in the joint venture), the Group and its joint ventures discontinue recognizing its share of further losses. Additional losses are recognised only to the extent that the Group and its joint ventures have incurred legal or constructive obligation or made payments on behalf of the joint venture.

The Group and its joint ventures discontinue the use of equity method from the date when the investment ceases to be a joint venture.

When a Group and its joint ventures entity transact with a joint venture of the Group and its joint ventures, profits and losses resulting from the transactions with the joint venture are recognised in the consolidated financial statements only to the extent of interest in the joint venture that are not related to the Group and its joint ventures.

e. Critical estimates and judgements

The preparation of the consolidated financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the consolidated financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

### Critical Judgements

In the process of applying the Group and its joint venture's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the consolidated financial statements:

- i. Discount rate used to determine the carrying amount of the Group and its joint venture's defined benefit obligation:

In determining the appropriate discount rate for plans operated, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

- ii. Contingences and commitments

In the normal course of business, contingent liabilities may arise from litigations and other claims against the Group and its joint ventures. Where the potential liabilities have a low probability of crystallising or are very difficult to quantify reliably, the Group and its joint ventures treat them as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the consolidated financial statements. Although there can be no assurance regarding the final outcome of the legal proceedings, the Group and its joint ventures do not expect them to have a materially adverse impact on financial position or profitability.

- iii. Consolidation decisions and classification of joint ventures

#### A. Consolidation of entities as subsidiaries with 50% voting rights

The management has concluded that the Group and its joint ventures control Technopolis Knowledge Park Limited (TKPL), even though it holds only 50% of the voting rights of this subsidiary.

This is because the Group and its joint ventures have control of composition of the Board of Directors of TKPL. The Shareholder's agreement grants the right of casting vote to the chairman of Board, appointed by the Parent. This gives the Group and its joint ventures the ability to direct relevant activities of TKPL proving that the Group and its joint ventures have control over TKPL.

#### B. Classification of joint ventures

The below entities are limited liability entities whose legal form confers separation between the parties to the joint arrangement and the Group and its joint ventures itself. Furthermore, there is no contractual arrangement or any other facts and circumstances that indicate that the parties to the joint arrangement have rights to the assets and obligations for the liabilities of the joint arrangement.

Accordingly, these entities are classified as joint ventures of the Group.

1. Sector 113 Gatevida Developers Private Limited (formerly known as Lemon Tree Land & Developers Private Limited)
2. Kolkata-one Excelton Private Limited
3. HL Promoters Private Limited (upto 17/10/2022)
4. One Bangalore Luxury Projects LLP
5. Sohna City LLP
6. Arvind and Smart Value Homes LLP
7. Landkart Builders Pvt. Ltd.
8. Ardent Properties Private Limited (upto 14/06/2022)

The assessment of control is made since the remaining share in the respective entities is held by one unrelated partner. Also, that in case of these entities, neither of the parties have the practical ability to direct the relevant activities unilaterally as relevant activities require consent of both parties. Hence the management has concluded that the Group and its joint ventures do not have unilateral control over these entities.

f. Key sources of estimation uncertainty

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

i. Goodwill impairment

Goodwill is tested for impairment on an annual basis and whenever there is an indication that the recoverable amount of a cash generating unit is less than its carrying amount based on a number of factors including operating results, business plans, future cash flows and economic conditions. The recoverable amount of cash generating units is determined based on higher of value-in-use and fair value less cost to sell. The goodwill impairment test is performed at the level of the cash-generating unit or groups of cash-generating units which are benefitting from the synergies of the acquisition and which represent the lowest level at which goodwill is monitored for internal management purposes.

Market related information and estimates are used to determine the recoverable amount. Key assumptions on which management has based its determination of recoverable amount include estimated long term growth rates, weighted average cost of capital and estimated operating margins. Cash flow projections take into account past experience and represent management's best estimate about future developments.

ii. Impairment for doubtful recoverable, advances and financial assets

The Group and its joint ventures make impairment for doubtful recoverable, advances and financial assets based on an assessment of the recoverability. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the other receivables and advances and impairment expenses in the period in which such estimate has been changed.

iii. Valuation of deferred tax assets

The Group and its joint ventures review the carrying amount of deferred tax assets at the end of each reporting period. The policy for the same has been explained under note 2(f).

iv. Provision for customer compensation

Provision is made for estimated compensation claims to be paid to customers in respect of delay in handing over possession of flats. These claims are expected to be settled in the next financial year. Management makes an estimate of the provision based on expected time of delivery and taking into consideration past experiences.

v. Impairment loss of inventory

Provision is made for estimated Impairment loss of inventory. Management makes an estimate of the provision based on expected realisation from inventory taking into consideration past experiences.

## 2. Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of the consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Group and its joint ventures. The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director & CEO of the Parent Group.

b. Foreign Currency Transactions

i. Functional and presentation currency

Items included in financial statements of each of the Group and its joint venture's entities are measured using the currency of the primary economic environment in which the entity operates ("functional currency"). The consolidated financial statements are presented in Indian Rupee (INR), which is the functional and presentation currency of the Parent. All amounts have been rounded-off to the nearest crores, unless otherwise indicated.

ii. Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Consolidated Statement of Profit and Loss. A monetary item for which settlement is neither planned nor likely to occur in the foreseeable future is considered as a part of the entity's net investment in that foreign operation.

For the preparation of the consolidated financial statements:

- a) Assets and liabilities of foreign operations, together with goodwill and fair value adjustments assumed on acquisition thereof, are translated at exchange rates prevailing at the reporting period end;
- b) Income and expense items are translated at the average exchange rates prevailing during the period; when exchange rates fluctuate significantly the rates prevailing on the transaction date are used instead.

Differences arising on such translation are accumulated in foreign currency translation reserve and attributed to non-controlling interests proportionately.

On the disposal of a foreign operation, all of the exchange differences accumulated in equity in respect of that operation attributable to the owners of the Group and its joint ventures are reclassified to the Consolidated Statement of Profit and Loss. In relation to a partial disposal, that does not result in losing control over the subsidiary, the proportionate exchange differences accumulated in equity is reclassified to the Consolidated Statement of Profit and Loss.

c. Revenue Recognition

The Group derives revenues primarily from sale of properties comprising of commercial/residential units and Project Management Fees and Marketing Charges.

The Group recognises revenue when it determines the satisfaction of performance obligations at a point in time and subsequently over time when the Group has enforceable right for payment for performance completed to date. Revenue is recognised upon transfer of control of promised products to customer in an amount that reflects the transaction price i.e. consideration which the Group expects to receive in exchange for those products.

Contract assets are recognised when there is excess of revenue earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Contract Liabilities are recognised when there is billing in excess of revenue and advance received from customers..

#### **i. Revenue from real estate development projects**

The Group enters into contracts with customers to sell property that are either completed or under development.

In arrangements for sale of properties, the Group has applied the guidance in IND AS 115, on "Revenue from contracts with customers", by applying the revenue recognition criteria for each distinct performance obligation. The arrangements with customers generally meet the criteria for considering sale of properties as distinct performance obligations. For allocating the transaction price, the Group has measured the revenue in respect of each performance obligation of a contract at its relative standalone selling price. The price that is regularly charged for an item when sold separately is the best evidence of its standalone selling price. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer.

The sale of completed property constitutes a single performance obligation and the Group recognizes revenue when the same has been satisfied.

Group recognise revenue when the below mentioned conditions get satisfied;

- occupancy certificate for the project is received by the Group
- possession is either taken by the customer or offer letter for possession along with the invoice for the full amount of consideration is issued to the customer
- substantial consideration has been received and the Group is reasonably certain that the remaining consideration will flow to the entity.
- there are no legal claims/ complains been made by the customer

The Group considers whether there are promises in the contract that are separate performance obligations or are to be delivered even after completing the aforesaid conditions and to which a portion of the transaction price needs to be allocated and if so the Group allocates the attributable transaction price and as control is deemed to have passed to the customer recognizes revenue over time as the related obligations are satisfied.

For contracts relating to the sale of property under development, the Group is responsible for the overall management of the project and identifies various goods and services to be provided. The Group accounts for these items as a single performance obligation because it provides a significant service of integrating the goods and services (the inputs) into the completed property (the combined output) which the customer has contracted to buy.

#### **ii. Project Management/Marketing fees**

The Group enters into Project Management fees and marketing fees agreements. Accounting for income from such projects, measured at transaction price, and recognised on accrual basis as per the terms of the agreement.

### iii. Income from ancillary services

Income from ancillary services are accounted on accrual basis in accordance with the terms of agreement/allotment letters.

#### d. Dividend and interest income

Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the Group and its joint ventures and the amount of income can be measured reliably).

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and its joint ventures and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

#### e. Construction Costs

Construction costs comprise project costs incurred to enable the Company to complete its performance obligations. These include cost of land and cost of development rights, construction and development costs, borrowings costs incurred and also include cost of development of common facilities and amenities.

These costs are allocated to each unit of sale (residential or commercial) on a systematic basis as construction progress and are expensed when the related revenue in respect of the unit is recognised.

Pending recognition of revenue, the costs are accumulated and disclosed as construction work in progress/Finished goods within inventory.

#### f. Income tax

##### **Current tax:**

Current tax is the amount of tax payable on the taxable profit for the year.

Taxable profit differs from 'profit before tax' as reported in the Consolidated Statement of Profit and Loss because of items of income or expenses that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated on the basis of the tax laws enacted or substantively enacted by the end of the reporting period.

##### **Deferred tax:**

Deferred tax is recognised on temporary differences between the carrying amounts of the assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profits. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognized to the extent that it is probable that future taxable profit will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of a history of recent losses, the Group and its joint ventures recognise a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group and its joint ventures expect, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current tax and deferred tax are recognised in the Consolidated Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, current tax and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternative Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to the future current tax liability, is considered as an asset if there is reasonable certainty of it being set off against regular tax payable within the stipulated statutory period. MAT credit is reviewed at each balance sheet date and the carrying amount of MAT credit is written down to the extent there is no longer reasonable certainty to the effect that the Group and its joint ventures will pay regular tax during such specified period.

g. Leases – as a lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified assets, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

As a lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the fixed payments, including in substance fixed payments; The lease liability is measured at amortised cost using the effective interest method. The Company has used number of practical expedients when applying Ind AS 116: - Short-term leases, leases of low-value assets and single discount rate.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term. The Company applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date

h. Impairment of property, plant & equipment and intangible assets

The carrying amounts of property, plant & equipment and intangible assets or Cash Generating Unit (CGU) are reviewed at each balance sheet date to determine whether there is any indication that those assets / CGU have suffered an impairment loss. If any such indications exist, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any.

An impairment loss is recognised in the Consolidated Statement of Profit and Loss wherever the carrying amount of the asset exceeds its recoverable amount. The recoverable amount is higher of the asset's fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using appropriate discount factor. When there is an indication that an impairment loss recognised for the asset in earlier accounting periods no longer exists or may have decreased such reversal of impairment loss is recognised in the Consolidated Statement of Profit and Loss.

i. Cash and cash equivalents

For the purpose of presentation in the Consolidated Statement of Cash Flows, Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value, and bank overdrafts. Bank overdraft and cash credit are disclosed under current borrowings in financials liability in the Consolidated Balance Sheet.

j. Unbilled revenue

Unbilled revenue represents excess of revenue recognised on 'Percentage of Completion Method' over actual bills raised. Unbilled revenue is recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

k. Inventories

Inventories comprises of cost of construction material, finished residential or commercial properties and costs of projects under construction/development (construction work-in-progress). Inventories are valued at the lower of cost and net realisable value. The cost of construction material is determined on a weighted average basis.

Cost of project includes, cost of land / cost of development rights, construction and development cost, overheads related to project and justifiable borrowing costs which are incurred directly in relation to a project or which are apportioned to a project.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated costs necessary to make the sale.

1.1 Financial Assets

**Classification**

The Group and its joint ventures classify financial assets as subsequently measured at amortised cost, fair value

through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

### Initial recognition and measurement

The Group and its joint ventures recognise financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

### Subsequent measurement

For the purpose of subsequent measurement, the financial assets are classified in three categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through profit or loss
- Equity investments

### Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a. The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b. Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Consolidated statement of profit and loss. The losses arising from impairment are recognised in the Consolidated statement of profit and loss.

### Debt instruments at Fair Value through Profit or Loss

Debt instruments included in the fair value through profit or loss (FVTPL) category are measured at fair value with all changes recognised in the Consolidated statement of profit and loss.

### Equity investments

All equity investments other than investment in subsidiaries, joint ventures and associate are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Group and its joint ventures decide to classify the same either as at fair value through other comprehensive income (FVTOCI) or FVTPL. The Group and its joint ventures make such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group and its joint ventures decide to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in other comprehensive income (OCI). There is no recycling of the amounts from OCI to the Consolidated statement of profit and loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the Consolidated statement of profit and loss.

### Derecognition

A financial asset (or, where applicable, a part of a financial asset) is primarily derecognised when:

- a. the rights to receive cash flows from the asset have expired, or
- b. the Group and its joint ventures have transferred substantially all the risks and rewards of the asset, or
- c. the Group and its joint ventures have neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

**Impairment of financial assets**

The Group and its joint ventures apply 'simplified approach' measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a. Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b. Trade receivables.

The application of simplified approach does not require the Group and its joint ventures to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime expected credit loss at each reporting date, right from its initial recognition.

m. Financial liabilities and equity instruments

**Classification**

The Group and its joint ventures classify all financial liabilities as subsequently measured at amortised cost.

**Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

**Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the consolidated statement of profit and loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and transactions costs. The EIR amortisation is included as finance costs in the consolidated statement of profit and loss.

**Derecognition**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the consolidated statement of profit and loss.

**Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle them on a net basis or to realise the assets and settle the liabilities simultaneously.

**Equity Instruments**

Equity instruments are recognised at the value of the proceeds, net of direct costs of the capital issue.

n. Property, plant and equipment

Property, plant and equipment are stated at historical cost, less accumulated depreciation and impairment loss, if any.

o. Depreciation methods, estimated useful lives and residual value

Depreciation is provided using the written down value method using the useful life as follows:

Assets	Useful life
Buildings	60 years

Office Equipment	5 years
Computers	3 years
Furniture and Fixtures	10 years
Electrical Fittings	10 years
Motor Vehicles	8 years
Cellular Phones	2.5 years

Leasehold improvements are amortised over the primary period of lease.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

Any gains or losses arising on the disposals or retirement of an item of property, plant and equipment is determined as difference between the sales proceeds and the carrying amount of the asset and is recognised in the Consolidated Statement of Profit and Loss.

p. Intangible assets

Computer software purchased is stated at historical cost less accumulated amortisation and accumulated impairment losses, if any.

*Amortisation methods and periods*

The Group and its joint ventures amortise cost of software over a period of 3 years on a straight-line basis.

q. Capital Work-in Progress

Capital expenditure on assets not owned by the Group and its joint ventures are reflected as a distinct item in Capital Work-in Progress till the period of completion and thereafter in the Property, plant and equipment

r. Borrowing costs

Borrowing costs include interest, other costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs, allocated to and utilised for qualifying construction project / assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying construction project / assets up to the date of substantial completion of project / capitalisation of such asset are added to the cost of construction project / assets. Capitalisation of borrowing costs is suspended and charged to the Consolidated Statement of Profit and Loss during extended periods when active development activity on the qualifying construction project / assets is interrupted. A qualifying construction project / asset is an asset that necessarily takes substantial time or more to get ready for its intended use or sale and includes the real estate properties developed by the Group and its joint ventures.

Interest income earned on the temporary investment of specific borrowing pending their expenditure on qualifying construction project / assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

s. Provisions and Contingencies

Provisions are recognised when the Group and its joint ventures have a present obligation (legal or constructive) as a result of a past event, it is probable that the Group and its joint ventures will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

t. Employee benefits

i. *Post-employment obligations*

The Group and its joint ventures operate the following post-employment schemes:

(a) Defined benefit plan

The Group and its joint venture's obligation towards gratuity to employees, post-retirement medical benefits and ex-directors pension obligations is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan asset, is reflected immediately in the Consolidated Balance Sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected immediately in the retained earnings and not reclassified to profit or loss. Past service cost is recognised in the Consolidated Statement of Profit and Loss in the period of a plan amendment. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is recognised as employee benefit expense in the Consolidated Statement and Profit and Loss.

(b) Defined contribution plan

The Group and its joint ventures's contribution to Provident fund, Superannuation Fund and employee's state insurance scheme are considered as defined contribution plans. The Group and its joint ventures are liable for contributions and any deficiency compared to interest computed based on the rate of interest declared by the Central Government under the Employees' Provident Fund Scheme, 1952 and recognises, if any, as an expense in the year it is determined. The contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

ii. *Other Long-term employee benefit obligations*

The Group and its joint venture's obligation towards other long term employee benefits in the form of compensated absences and long service awards are based on actuary valuation. The valuation is carried out using the Project Unit Credit Method as per Ind AS 19 to determine the Present Value of Benefit Obligations and the related Current Service Cost and, where applicable, Past Service Cost.

*iii. Short-term obligations*

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

u. Dividends to equity shareholders

Dividend to equity shareholders is recognised as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

v. Operating cycle

All assets and liabilities have been classified as current or non-current based on operating cycle determined in accordance with the guidance as set out in the Schedule III of the Companies Act, 2013. The operating cycle of the Group and its joint ventures are determined to be 12 months.

The recoverable amounts of the above CGU's have been assessed using a value-in-use model. Value in use is generally calculated as the net present value of the projected post-tax cash flows plus a terminal value of the cash generating unit to which the goodwill is allocated. Initially a post-tax discount rate is applied to calculate the net present value of the post-tax cash flows

The Goodwill amount of ₹ 33.23 crores has been created during the year. This has been tested for impairment and Rs. 29.71 crores has been written off.

#### 11 Equity share capital and other equity (Continued)

##### 11(b) Other equity (Continued)

###### Nature and purpose of reserves (Continued)

###### (iii) General reserve

The general reserve is used from time to time to transfer profits from retained earnings for appropriation purpose. As the general reserve is created by transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit and loss.

###### (iv) Foreign Currency Translation Reserve

Exchange difference arising on translation of the foreign operation are recognised in other comprehensive income and accumulated in a separate reserve for equity. The cumulative amount is reclassified to profit or loss when the investment is disposed off.

###### (v) Retained earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, debenture redemption reserve, dividends or other distributions paid to shareholders.

###### (vi) Capital Redemption Reserve

Capital Redemption Reserve is created out of profit on redemption of capital.

###### (vii) Corpus Fund

Corpus Fund is a fund generated and kept for the existence and sustenance of the organisation, it pertains to one of the subsidiary registered under section 8 of the Companies Act, 2013.

###### (ix) Capital Reserve

The Capital Reserve represent the excess of identifiable assets and liabilities over the consideration paid/received or vice -a-versa on account of acquisition of Joint Venture

### 24 Financial risk management (Continued)

#### B) Management of market risk (Continued)

POTENTIAL IMPACT OF RISK	MANAGEMENT POLICY	SENSITIVITY TO RISK
<p><b>(i) Interest rate risk</b></p> <p>Interest rate risk is the risk that the future cash flows of a financial instrument will fluctuate because of changes in market interest rates.</p> <p>The Group is mainly exposed to interest rate risk due to its variable interest rate borrowings. The interest rate risk arises due to uncertainties about the future market interest rate of these investments.</p> <p>The Group's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk as defined in Ind AS 107, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.</p> <p>As at March 31, 2023, borrowings amounted to ₹ NIL (as at 31 March, 2022: ₹ 5.32 crores) is exposed to interest rate risk.</p>	<p>The Group's strategy is to mitigate interest rate risk by ensuring a proper mix of borrowings at fixed and variable interest rates.</p> <p>The Group's interest rate risk is monitored by the management and treasury team on a monthly basis. Management analyses the Group's interest rate exposure on a dynamic basis. Various scenarios are simulated, taking into consideration refinancing, renewal of existing positions and alternative financing sources.</p> <p>Based on these scenarios, the Group calculates the impact on profit and loss of a defined interest rate shift. The scenarios are run only for liabilities that represent the major interest-bearing positions. The simulation is done on a monthly basis to verify that the maximum potential loss is within the limits set by management.</p>	<p>As an estimation of the approximate impact of the interest rate risk, with respect to financial instruments, the Group has calculated the impact of a 0.25% change in interest rates. 0.25% p.a. decrease in interest on aforesaid loans would reduce interest expense by ₹ NIL crores for financial year ended 31 March, 2023.</p> <p>0.25% p.a. decrease in interest on aforesaid loans would reduce interest expense by ₹ NIL crores for financial year ended 31 March, 2023.</p> <p>A 0.25% increase in interest rates would have led to an equal but opposite effect.</p>
<p><b>(ii) Currency risk</b></p> <p>The Group undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise.</p>	<p>The Group has not hedged any of its assets or liabilities repayable in a foreign currency.</p>	<p>As an estimation of the approximate impact of the currency risk, with respect to financial instruments, the Group has calculated the impact of a 5% change in currencies.</p>

The carrying amounts of the Group's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period areas follows:

Foreign Currency (FC)	Liabilities		Assets	
	As at 31 March 2023	As at 31 March 2022	As at 31 March 2023	As at 31 March 2022
MVR	30.12	17.10	26.40	43.15
LKR	299.86	1,048.99	7.61	63.23
MVR = Maldivian Rufiyaa, LKR = Sri Lankan Rupee, USD = US Dollars, SGD = Singapore Dollars				

#### Sensitivity Analysis

The Group is mainly exposed to the currency of MVR & LKR.

Below is the Group's sensitivity to a 5% increase and decrease in ₹ against the relevant foreign currencies.

Particulars	For the year ended 31 March 2023	For the year ended 31 March 2022
Increase in exchange rate by 5% impact on profit before tax - MVR	(0.19)	1.30
Decrease in exchange rate by 5%, impact on profit before tax - MVR	0.19	(1.30)
Increase in exchange rate by 5%, impact on profit before tax - LKR	14.61	49.29
Decrease in exchange rate by 5%, impact on profit before tax - LKR	(14.61)	(49.29)

A positive number above indicates an increase in the profit or total equity where the ₹ weakens 5% against the relevant currency. For a 5% strengthening of the ₹ against the relevant currency, there would be a comparable impact on the profit or total equity, and the balances below would be negative.

### 24 Financial risk management (Continued)

#### C) Management of credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers, investments in debt securities, loans given to related parties and project deposits.

##### Trade receivables

Customer credit risk is managed by requiring customers to pay advances through progress billings before transfer of ownership, therefore substantially eliminating the Group's credit risk in this respect.

The Group's credit risk with regard to trade receivable has a high degree of risk diversification, due to the large number of projects of varying sizes and types with numerous different customer categories in a large number of geographical markets.

##### The ageing analysis of the receivables (gross of provisions):

Period	Upto 1 Year	More than 1 year	Total
As at March 31, 2023	61.09	35.44	96.53
As at March 31, 2022	52.88	113.91	166.79

##### The following table summarizes the changes in the provisions made for the receivables:

Opening balance	0.28	0.64
Provided/(reversed) during the year	1.49	(0.36)
Closing balance	1.77	0.28

##### Investment in Debt Securities, Loans to Related Parties and Project Deposits

The Group has investments in compulsorily convertible debentures / optionally convertible debentures, loans to related parties and project deposits. The settlement of such instruments is linked to the completion of the respective underlying projects. Such Financial Assets are not impaired as on the reporting date.

##### The following table summarizes the changes in the provisions made in Investment & Loans to related Parties:

Particulars	As at '31 March 2023	As at '31 March 2022
Opening balance	234.36	213.73
Provided during the year	(118.93)	20.63
Closing balance	115.43	234.36

##### Cash and Bank balances

Credit risk from cash and bank balances is managed by the Group's treasury department in accordance with the Group's policy.

The Group's maximum exposure to credit risk as at 31 March, 2023 and 2022 is the carrying value of each class of financial assets as disclosed in notes 5(b), 5(d) and 9(a) to 9(f).

### 25 Capital Management

#### Risk management

The Group manages its capital to ensure that the Group will be able to continue as going concern while maximising the return to stakeholders through optimisation of debt and equity balance.

The Group's risk management committee reviews the capital structure of the Group on a semi-annual basis. As part of this review, the committee considers the cost of capital and the risks associated with each class of capital.

The Group monitors capital using Debt-Equity ratio, which is total debt divided by total equity. For the purposes of the Group's capital management, the Group considers the following components of its Balance Sheet to be managed capital:

Total equity as shown in the Balance Sheet includes General reserve, Retained earnings, Share capital, Security premium. Net debt includes current debt plus non-current debt less cash and bank balances.

	31 March 2023	31 March 2022
Long-term Borrowings	1,347.86	1,430.22

#### 26 Fair value measurements (Continued)

##### Fair value hierarchy (Continued)

**Level 3:** If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

The carrying amounts of trade receivables, inter corporate deposits, current investments, contractually reimbursable expenses, cash and cash equivalents and other bank balances, current trade payables and current borrowings are considered to be the same as their fair values, due to their short-term nature.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

##### Valuation techniques and significant unobservable inputs

The following table shows the valuation techniques used in measuring Level 2 and Level 3 fair values for financial instruments measured at fair value in the statement of financial position as well as the significant unobservable inputs used.

##### Financial instruments measured at fair value

### Risk exposure

Through its defined benefit plans, the Group is exposed to a number of risks, the most significant of which are detailed below:

### Asset volatility

The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk with derivatives to minimise risk to an acceptable level.

### Changes in bond yields

A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plans' bond holdings.

### Life expectancy

The pension and medical plan obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plans' liabilities. This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

### Salary Risk

The Present value of the defined benefit liability is calculated by reference to the future salaries of plan participant. As such, an increase in salary of the plan participants will increase the plan's liability.

The Parent ensures that the investment positions are managed within an asset-liability matching (ALM) framework that has been developed to achieve long-term investments that are in line with the obligations under the employee benefit plans. Within this framework, the Parent's ALM objective is to match assets to the benefit obligations by investing in long-term fixed interest securities with maturities that match the benefit payments as they fall due and in the appropriate currency.

(i) **Superannuation fund**

The company has superannuation scheme administered by LIC, in which the company contributes 15% on basic salary. The payments to defined contribution retirement benefit scheme for eligible employees in the form of superannuation fund are charged as an expense as they fall due. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made.

**(ii) Provident fund and superannuation fund**

The Parent also has certain defined contribution plans. Contributions are made to Tata Housing provident fund trust for employees at the rate of 12% of basic salary as per regulations. The obligation of the group is limited to the amount contributed and it has no further contractual nor any constructive obligation.

The Trustees of the Fund are required by law and by its trust deed to act in the interest of the Fund and of all relevant stakeholders in the scheme. The Trustees of the Fund are responsible for the investment policy with regard to the assets of the Fund.

The Parent's contributions paid / payable during the year towards Provident Fund and Superannuation Fund are charged to the Consolidated Statement of Profit and Loss or debited to the project costs every year. These funds and the schemes thereunder are recognised by the Income-tax authorities and administered by trusts.

The details of provident fund and plan asset position are given below:

c Measurement of fair values

The valuation techniques used for measuring the fair values of material assets acquired and liabilities assumed were as follows:

Assets considered	Valuation Method	Remarks
Property, Plant and Equipment ("PPE")	Book Value	Company does not have any significant material PPE. Therefore, the net book value of the PPE as on 15th June 2022, have been considered to be the PPE.
Inventory	Income Method (Under the Income Method, the valuation is based on expected cash flow from sale of asset as reduced by the cost incurred for bringing such asset into saleable condition).	Inventory of Company are the key to the business and significant amount of business value is attributable to value of the inventory. Therefore, the same have been valued by using Income Method.
Net Working Capital other than Inventory (i.e., Debtors and other current assets / liabilities)	Book Value	As per management, the current market price of the debtors, creditors and other current assets/ liabilities would approximate the book values. Hence the same has been considered at book values as at the Valuation Date, i.e. 15 June 2022.
Project Borrowings	Book Value	As per management, the fair value of the loan would approximate the book value as on 15 June 2022.

### 41 IND AS 116 Disclosure:

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

All of the Company leases at 1 April 2019 were either cancellable or short term or had a remaining period of less than one year from that date. Accordingly, the transition to Ind AS 116 did not have any impact on the financial statements of the Company as at that date.

#### Company as a Lessor:
